Training Day Instructions

Player Drop Off And Collection Point

- When arriving for your teams designated training session you are to drop your child off in the main club carpark A.
- Your child will be met by either the team coach or a member of that teams social bubble, players will then be shown to their training area
- There is to be NO parking up or waiting in carpark A
- Once you have dropped your child off in carpark A, you will need to make your way to carpark D, there you can sit and wait for your child.
- Carpark D is located on St Oswalds Rd, LE3 6RJ
- Having separate carparks for drop off and collection will limit the potential crossover between players arriving and those leaving.
